

MACHINING ON THE CUTTING EDGE

# SHEET METAL

VARIETY OF MATERIALS, PARTS UP TO 10'

## OUR MISSION

Provide a positive customer experience through effective communication, quality parts and on-time delivery

## CAPABILITIES

High-Speed Laser Cutting, Shearing, Forming, Rolling

MIG/TIG, Spot Welding

Precision Formed Parts, Frames and Weldments

## EQUIPMENT

Amada Press Brakes

Mitsubishi 3015ex Plus 5'x10' CO2 Laser

Haeger 824 MSPe

Marvel 2125 Vertical Band Saw

## ENGINEERING

Mechanical design Engineering and drafting

CAD/CAM Software Proficiency

Lean Manufacturing Principles

## QUALITY

We are AS9100D & ISO 9001:2015 registered Utilizing temperature and humidity controlled labs with high end inspection equipment to drive manufacturing
